KAYE EDMONTON CLINIC - CLINICAL ETHICS COMMITTEE

**Should Able MAID Requester/Recipients be
Expected to Participate?**

Brendan Leier, PhD

Clinical Ethicist, Alberta Health Services;
Assistant Clinical Professor, John Dossetor Health Ethics Centre,
University of Alberta

Tuesday, 02 May 2017
12:00 - 13:00 MST/MDT
Dvorkin Centre (2G2.07 WMC)
University of Alberta Hospital

A seamless transition has occurred in right-to-die advocacy from the concept of 'Assisted Suicide' to the concept of 'Physician Assisted Death'. I will argue that the change in nomenclature, although more politically efficacious, does nothing to avoid the deep philosophical and professional issues that we as a society continue to fail to address in the process of legalizing and implementing the procedure known now as MAID (Medical Assistance in Dying).

EVERYONE WELCOME!
